

# Outdoor Recreation to Boathouse

## **Directions to the Boathouse**

- From Outdoor Rec parking lot, turn left onto Alaska Way, and then turn left onto Washington Ave.
- Turn right on California Blvd. and proceed to 13th St.
- Turn left on 13th St. and follow it 4.5 miles until you come to the 13th St. Gate, exit the base, cross over Ocean Ave. and reenter through the South Vandenberg Gate on Arguello Blvd.
- Drive straight on Arguello Blvd. 2 miles to Bear Creek Rd. Turn right on Bear Creek Rd. which only goes right.
- When you come to the "T" intersection of Coast Rd. and Bear Creek Rd. with the ocean in front of you, turn left onto Coast Rd.
- Follow Coast Rd. approximately 5.5 miles all the way to the Boathouse Rec Area. There will be a sign along your route that reads "Boat Dock" with an arrow pointing right, follow that sign.
- The main road will intersect with the railroad tracks and a locked gate, follow the single lane road on your left as it winds down and around to the Boathouse Gate.
- The paved road ends and becomes a dirt road. Here there will be a gate on your right with multiple locks. Ours is the second lock from the right. Use your key to open the lock and remove it from the gate. Pull the bar back until it is free to open. Drive through the gate, then shut and relock the gate. Cross the railroad tracks and proceed through the second unlocked gate. Please make sure to close it behind you. Follow the drive all the way down to the dock parking area.

**YOU HAVE ARRIVED!!**
